

Solaris Tiny Tributes™ Program and Eligibility

Solaris is proud to offer TributeNight garments to clients of Lymphedema Depot's established wholesale dealers at significantly discounted pricing for individuals 13 years of age or younger. While each of our Canadian dealers is free to set their own retail pricing with their clientele, it is our hope that you will participate in the spirit of this special offer to ensure that your young clients will receive the full benefit of the program's special pricing. Measurements must be taken and submitted by a qualified therapist or garment fitter and must include a copy of the physician's prescription and child's birth certificate. Special pricing is offered as outlined, below. If more than two garments are needed during a one year period, no discount is offered on subsequent garments.

Tiny Tributes Program pricing is based on the current Canadian wholesale pricing in effect at the time of the order. Solaris and Lymphedema Depot reserve the right to discontinue or make changes to the program and/or pricing at any time without prior notification.

Dealer pricing structure for the Tiny Tributes program is as follows:

- Infant/Toddler**
(0-4 years)
1. First garment per year free of charge (shipping only)
 2. Second garment in a year 80% off dealer cost

Solaris feels that it is important for both the parent and the child that the young patient not experience disassociation of the affected limb and, as such, offers the option to have a bi-lateral garment made (either upper body Tribute™ pajama tops or lower body Tribute™ pajama bottoms) for garments for toddlers up to 4 years old. To assist us in this please complete all measurement forms necessary to make the full bi-lateral garment.

- Child**
(5-8 years)
1. First garment per year is 80% off dealer cost
 2. Second garment in a year is 60% off dealer cost

- Pre-Teen**
